DEDUCTIBLE PROGRAM AGREEMENT

UFS maintains \$1,000,000 single limit / \$100,000 per seat public liability coverage and a \$100,000 third-party bodily injury and property damage liability coverage on all its aircraft, its instructors and you, whether a renter or a student (for any rating). The cost of that insurance is included in our hourly aircraft rate. However, our insurance responsibility does NOT include coverage of the first tier of insurance coverage known as the “deductible.” As a renter/customer you will be financially responsible for procuring the means to protect both yourself and UFS. The current deductible limit on all aircraft, whether in motion or not in motion is \$5,000.

By enrolling in our Deductible Program (“DP”) the cost is only \$150 the first year and \$99 each year thereafter providing you have had no incidents or deductible insurance claims. The DP will pay any claim made against you for any reason, regardless of fault, for property damage up to the deductible limit when you are the renter/customer of a UFS aircraft. The DP does NOT provide you any coverage for aircraft rental of non-UFS aircraft.

Furthermore, you do not have ANY protection beyond the \$5,000 claim or deductible made by UFS or UFS’s insurance company. You also do NOT have any insurance coverage with this deductible program.

_____ I understand that the UFS Deductible Program only protects claims and deductibles up to \$5,000 when I am the renter/customer dispatched in a UFS aircraft.

_____ I understand that I have NO insurance coverage as part of the United Flight Systems Deductible Program.

_____ I understand that if/when any claim is made, I will be required to pay the UFS Deductible Program fee again if I am permitted to keep renting at UFS.

Deductible Program YEAR 1 – \$150

Deductible Program Year 2+ – \$99
